

## **Environmental Natural Resources Focus Group**

**Sent:** 11/30/2012 1:09 PM

**Subject:** 2ND working meeting of Comp. Plan's Environmental Natural Resources Focus Group

**Attendance:** Virginia Bryant, Mary Jo Lovelace, Norm Smith, Nancy Spero, Dan Walker

Greetings,

The Comp. Plan's Environmental Natural Resources Focus group held its second meeting on Monday, November 16, 2012 at 7:00 PM at Virginia Bryant's home.

We worked from copies of the Current Comp. Plan's Environmental Natural Resources section and also utilized recommendations from the Tompkins County Planning Department.

The committee discussed each section, making some changes. Nancy, as our recorder, compiled them. Everyone agreed that the new draft revisions are in synch with the comments and recommendations from the Tompkins County Planning Dept. in their initial review of the old Comp. Plan.

In addition, we received additional input from Helen Slottje (the Pro-Bono Lawyer who is part of the team who is charged by the Town with writing up wording for a possible ban on industrial gas drilling in Enfield).

The revised draft was distributed to all focus committee members for comment on 11/26/12.

The new draft of this section will be presented and discussed at the Town of Enfield Planning Board Meeting on December 5, 2012

Also we added one objective to the Recreational Assets Section:

Goal 1 Objective 3:

Pursue additional opportunities for public open space and recreational amenities.

Virginia Bryant

Chair, Town of Enfield Planning Board
