

Rumsey-Loomis Machine Company – 1514 Mecklenburg Road. This building was built in 1975. Stan Rumsey was owner and partner in the Rumsey-Loomis Machine Company his partners were Sid Rumsey and Dale Loomis. The business started in 1962 with Stan and Ernest Maser. In 1992 they employed 3 part time machinist. They advertised for work of milling, turning, plastics, steel and aluminum. The company's two major projects were cooperating with Dr. Sanford of the Geneva Agricultural Experiment Station on research and providing Ithaca Peripherals, a local retail printer manufacturing company with different machine parts. Sunbeam Candles is now located in this building.

We invite readers to share their memories send e-mail to historian@townofenfield.org.
