RE: Lot Coverage Waiver Request Withdrawal

Dear Mr. Walker and Members of the Board,

Norbut Solar Farm, LLC, hereby formally withdraws our previous request for a Lot Coverage Waiver request pursuant to Enfield Site Plan Review Law Section 3.1 – Waiver of Site Plan Requirements.

We have submitted a proposed subdivision concept that complies with the 60% lot coverage requirement put forth by the Town of Enfield Solar Law in Section C – Solar Permit Standards.

Respectfully submitted,

Jonathan Stone
