Dear Enfield Residents,

December 21, 2022

This year we are pleased to announce that you can look up your tax bill information on-line by going to www.townofenfield.org and clicking on the "tax collection" tab. You will be able to see if your tax payment has been processed, print copies of your bill or receipt, and look up prior year's bills. For anyone who doesn't have access to the town's website, the Enfield Town Clerk's Office will be glad to provide information when you call the office.

The 2021 budget was a difficult year for our Town. Funding from State sources was greatly reduced which led to some difficult decisions. It has been a relief to see that funding restored and enabled the Town to increase salaries and other resources in the 2022 budget. Please note there is a discrepancy in the tax levy for the Fire Company when compared to the actual budget. This is due to an error in the way the tax levy was allocated last

year that needed to be corrected for this year. Additionally, the 2022 budget shows over \$60,000 appropriated from the General Fund Balance. The Town is expecting to receive a building permit fee for over \$100,000 in 2022. However, it was not budgeted for because it has not been received yet. The tax levy for 2022 is 3.79% and did not exceed the tax cap. The Town received approximately \$174,000 in American Rescue Plan Act Funds in 2021 and expects to receive another \$174,000 in 2022. While the funds are restricted to a limited set of uses, the Town is asking for resident input on how these funds should be spent. For more information and to review the budget, please visit www.townofenfield.org.

Wishing you a happy and healthy 2022.

From your Town Staff and Elected Officials:
