<p>*General:Terms</p> <p>1. Two-thirds down for heat pump invoices before the job is started to order material. The rest is due upon completion. For all other jobs, full payment is due upon completion.</p> <p>2. Discount of 5% for cash or check payments.</p> <p>3. Mitsubishi factory warranty of 12 years for Mitsubishi parts and compressor included on heat pump jobs.</p> <p>4. One-year warranty on labor. Additional labor warranties are available for an extra cost. After the one-year warranty on labor expires, the system owner will have to pay for the labor costs on any warranty repairs.</p> <p>5. Financing is available. Ask us for more information or learn for yourself on our website.</p> <p>6. Optional smart control called Kumo Cloud can be added to any Mitsubishi system for the cost of \$300 per indoor unit.</p> <p>7. Jobs that are not charged sales tax and are capital improvements will require you to sign an ST-124 form in order to be exempt from sales tax.</p> <p>8. Rebates for hybrid water heater jobs are the responsibility of the customer unless they are done in conjunction with an air source heat pump.</p> <p>9. Air source heat pump rebates are applied for by the contractor. NYSEG account information must be supplied to the contractor as we are required to apply for the rebate.</p> <p>10. Heat pump estimates are based on the locations of indoor and outdoor units as specified by the contractor's design. Design layouts may be included with your estimate or be requested if not already included.</p> <p>11. Estimates expire 90 days after being sent and will need to be re-evaluated if approved after the estimate has expired.</p>	1	0.00	0.00
